Examiner's Reasons for Allowance

The following is an examiner's statement of reasons for allowance, in addition to agreement with the remarks filed by applicant on 30 September 2004:

Referring to claims 1-4, 6, 14, 15, and 17-23, the prior art searched and of record neither anticipates nor suggests in the claimed combinations, performing multi-valued dithering on the corrected image data and outputting an N-valued error having a smaller bit number than the corrected image data on the basis of said corrected image data and the N-valued image data (see Fig. 1).

Referring to claims 7, 18, and 24, the prior art searched and of record neither anticipates nor suggests in the claimed combinations, outputting an N-valued error having a smaller bit number than the corrected image data on the basis of the corrected image data and said N-valued image data and performing multi-valued dithering on difference data between the corrected image data and data based on the N-valued image data (see Fig. 2).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
